The Archdiocese of Ottawa-Cornwall is blessed to have 11 seminarians currently preparing for the priesthood. This remarkable growth is the fruit of years of prayer and a sign of hope for our local Church.

God called. They answered. Now the call comes to us.

You are invited to attend the **Answer the Call Benefit Gala**, an evening of faith, fellowship, and joyful support for the men preparing to serve as priests in our Archdiocese. **Thursday, October 29, 2026 | 5:00–9:00 p.m. Ottawa Conference and Event Centre.** Presale tickets are available through August 31 for \$150 per person. Regular pricing is \$165. A partial charitable tax receipt will be provided with each ticket purchase. Purchase tickets at: www.canadahelps.org/en/charities/ADOC/events/gala-26. Thank you for considering this opportunity to invest in the future of the Church and for supporting our seminarians.

The Power of a Cold Cup of Water: Gospel Focus: Matthew 10:42

And whoever gives even a cup of cold water to one of these little ones... truly I tell you, he will most certainly not go without his reward. In the chapters leading up to today's Gospel, Jesus speaks about big, heavy topics: carrying our crosses, facing hardships, and making sacrifices. It can be easy to read those passages and feel like a faithful life is out of reach for ordinary people caught up in the busy routines of daily life. But look at how Jesus finishes His sermon. He brings holiness entirely down to earth. He tells us that God is found in the smallest spaces of human connection—like offering a simple cup of cold water to someone in need. In the ancient world, providing cold water meant you didn't just hand someone a stale bucket left in the sun. It meant you took the time and effort to go down to the well to fetch what was fresh, crisp, and truly restorative. It required stopping your routine, looking at the person in front of you, and saying, "I see you, and I care about your comfort." Building a thriving community of faith doesn't always require grand, heroic gestures. More often, it's about the architecture of our daily relationships. It's about turning a routine interaction into a moment of genuine partnership and welcome.

This week's challenge: Look for the "thirsty" people in your path. They might not need physical water, but they might be thirsty for a patient listening ear, a word of appreciation, or a second chance. How can you bring a little refreshment to someone's journey this week?
